The Press is directed by the GESTAPO. Articles and newspaper comments show the Anglo-Americans as responsible for the misfortune of Greece and European civilization. They describe the great dangers that face manhood should communism eventually remain and recommend the joining of all the Europeans in the destruction of communism and the Judo-Anglo-American capitalism.

Since April, a small secret newspaper, under the name "DOXA" has started to appear in ATHENS. It appears that its publication is under the auspices of the P.E.A.N. (Panhellenic Union of Fighting Youth). This paper is written in a patriotic vein and attacks the invaders, their Greek partners and the old politicians.

In ATHENS also, the newspapers "SKLAVOMENI ELLAS" and EPIMERIS TON ELEFTHON ELLINON" are published secretly.
